

## Metro CERTs Spring Resource & Networking Event

Wednesday, April 14, 2010 from 4-8pm

**Amherst H. Wilder Center**

451 Lexington Parkway North, Saint Paul, MN 55104

### Join Metro Clean Energy Resource Team affiliates, partners & friends

to celebrate our second year of connecting communities to resources, hear about our first round of seed grants to Twin Cities communities, and learn about our new energy efficiency campaigns and other resources. Program will be followed by refreshments and networking!

### For more information:

[tinyurl.com/metrocert2010](http://tinyurl.com/metrocert2010)

### Free online RSVP:

[metrocert2010.eventbrite.com](http://metrocert2010.eventbrite.com)

### Getting there:

Many attendees will be busing, biking and carpooling. Find your way at [tinyurl.com/get-to-Wilder](http://tinyurl.com/get-to-Wilder)

### Thanks to our co-sponsors!

#### Eureka Recycling

is proud to partner with Metro CERT to make this a zero waste event.

By rethinking, reusing, recycling, and composting all the discards, we will greatly reduce our environmental impact! For more info, visit [www.eureka recycling.org](http://www.eureka recycling.org).

**Xcel Energy** is a proud sponsor of the Metro CERT Spring

Resource & Networking Event. To learn more about their commitments to energy efficiency and conservation, as well as renewable energy, visit [www.xcelenergy.com](http://www.xcelenergy.com).

Metro CERT is a program of the Green Institute, a Minneapolis-based nonprofit dedicated to sustaining the environment and our communities through practical innovation.
