# Clean Energy Resource Teams

Request for Proposals for 2016 Seed Grants

## Need project funding? CERTs can help!

## Need project funding? CERTs can help!

The Minnesota Clean Energy Resource Teams (CERTs) seeks proposals for Seed Grants.

These grants are designed to provide limited financial assistance for energy efficiency and/or renewable energy projects.

Project funding can support assistance services (labor costs only, such as for a consultant, design professional, installer, or student labor), for projects in all seven MN CERT regions.

To learn more, visit:
