

# Press Release: Clean Energy Film Event to Spur Conversation and Action

FOR IMMEDIATE RELEASE

## Media Contacts:

Kay Slama, Willmar Area Climate Action Group (320-905-6051 or [slama@morris.umn.edu](mailto:slama@morris.umn.edu))

Dan Thiede, Clean Energy Resource Teams (612-626-0556 or [thie0235@umn.edu](mailto:thie0235@umn.edu))

**Willmar, MN:** Community members can learn about clean energy in Minnesota December 7 from 1:30-3:30pm at the Willmar Public Library. The free event will feature a new documentary and local speakers, along with discussion about saving energy and money in their homes and businesses.

The film “The Power of Minnesota” will tell stories of how clean energy is making local economies even stronger. Local community members will talk about how they installed solar and geothermal power and drive electric vehicles, and Clean Energy Resource Teams (CERTs) and Willmar Municipal Utilities will describe their clean energy programs. Everyone in attendance can join in the lively discussion about clean energy.

The schedule for the event is:

- 1:30pm Refreshments & social time
- 1:45pm Film screening & community discussion
- 2:15pm Speakers
- 2:55pm Q&A, discussion, networking

The Power of Minnesota event is co-hosted by Willmar Area Climate Action Group and CERTs. The Willmar Area Climate Action Group seeks to take immediate local action to address the urgent issue of climate change and empower our community to support broad-scale solutions. The mission of CERTs is to connect individuals and communities in Minnesota to the resources they need to identify and implement community-based clean energy projects.

The sponsors invite all area people to attend this free event and will serve beverages and popcorn.
