CLEAN ENERGY RESOURCE TEAMS

We help Minnesotans

build clean energy

OUR MISSION is to connect individuals and communities in Minnesota to the resources they need to identify and implement community-based clean energy projects.

WE PROVIDE

Hands-on support

For cities, counties, utilities, farmers, businesses, and organizations looking to make a change.

Practical steps to clean energy

Resources to get started, move forward, and complete projects.

Learning opportunities

To help others participate in the clean energy transition with the Community Energy Ambassadors program.

HOW WE WORK

We meet people where they are

No matter where they live and work in Minnesota or where they are along their clean energy journey.

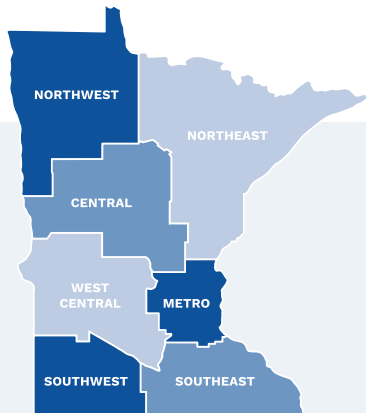

We convert learning into doing

Our pragmatic, cooperative, and unbiased approach gets people up to speed, connected, and ready to act.

We strive toward inclusive access

We work to create opportunities for engagement and participation in clean energy for everyone.
