

West Central Clean Energy Resource Team (WC CERT) Tour: LED Lighting for Businesses and Farms in Sauk Centre

Thursday, July 14, 2016

1:00 - 4:00 pm

ElmerZ

Timberlane Drive

Sauk Centre, MN 56378

Curious about commercial, agricultural, and industrial LED lighting? Want to see some actual installations, check out the lights, and talk to the business owners about energy savings? This is the tour for you!

After the tour, there will be networking and appetizers from ElmerZ.

Bring your questions as we learn about these LED lighting community clean energy projects!

(A huge thanks to Paul Streitz of LumenPros for all his help in organizing this tour!)

Register for this free event online at <http://wccertled.eventbrite.com> or call 612-626-0555!
